ORDER

13 Plaintiff United States has filed a motion to strike claimant Centravel's petition requesting
14 hearing to adjudicate validity of petitioner's interest in defendant property (#37, reply #40) and a
15 motion for default judgment of forfeiture (#41).

16 As the United States' motion to strike indicates, Centravel failed to timely file and serve
17 and answer to the complaint for forfeiture as required by 18 U.S.C. § 983(a)(4)(B) and
18 Fed.R.Civ.P. Supp. R. C(6)(a)(iii). Such a failure precludes a party from establishing standing in a
19 forfeiture action, even though the party has previously filed a claim. See United States v. Lido
20 Motel, 135 F.3d 1312, 1317 (9th Cir. 1998). Moreover, Centravel has filed no opposition in this
21 case to the United States' motion to strike, see LR 7-2 (d) (the failure of an opposing party to file
22 points and authorities in response to any motion shall constitute a consent to the granting of the
23 motion), even though the United States raised the failure to file such a response over five months
24 ago. Accordingly, the court will grant United States' motion to strike.

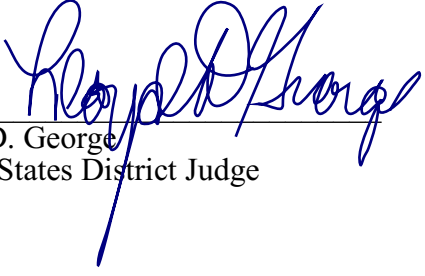

25 Good cause appearing, and no oppositions having been filed, the court will also grant the
26 United States' motion for default judgment of forfeiture.

1 THE COURT HEREBY ORDERS that the United States' motion to strike claimant
2 CentraTravel's petition requesting hearing to adjudicate validity of petitioner's interest in defendant
3 property (#37) is GRANTED.

4 THE COURT HEREBY ORDERS that the United States' motion for default judgment of
5 forfeiture (#41) is GRANTED. The court approves and will sign the proposed default judgment of
6 forfeiture (attached to the motion) forthwith.

7 THE COURT FURTHER ORDERS that the United States' unopposed stipulation for entry
8 of judgment of forfeiture and order (#32) is APPROVED, and will be signed forthwith by the
9 court.
